

MOUNTAINSIDE CHRISTIAN ACADEMY
2016-2017

DEAR PARENTS OF **THIRD - FOURTH** GRADERS,

I am excited for the upcoming school year. I know God has given me a great opportunity and responsibility to teach your children. I have been praying for my future students and I will continue to do so. My desire is that we would uphold each other up in prayer throughout the school year.

The supply list below should help you find as many bargains as possible before the start of school.

1. **Gym clothes** - Regular school clothes are fine, but if a skirt or dress is worn to school, girls need to wear pants underneath. Sneakers are required, not shoes. However, wet sneakers are NOT allowed in the gym. For the winter, children must have boots to wear while walking up to the MAC building. On rainy days, an extra pair of sneakers/shoes need to be worn outside so the sneakers that are carried up to the gym are dry.
2. **Book bag or gym bag** - Ample size to hold school materials, gym clothes and sneakers.
3. **Water bottle** - Bring to school filled each day for drinking during breaks.
4. **Lunch box** - With an unbreakable thermos or a supply of paper lunch bags.
5. **Colored pencils** - At least eight basic colors.
6. **Pencils** - Must have at least three good sharpened pencils in desk at all times. NO small sharpeners of any kind are allowed in class. Mechanical pencils may be used.
7. **Ball-point pens** - One blue or black plus one red pen.
8. **Highlighters** - At least two highlighters, preferably yellow.
9. **One dry erase marker** - To be replaced as needed - -no yellow please.
10. **Large eraser** - Have a good large eraser with name written on it in desk at all times.
11. **Glue sticks** - At least three glue sticks will be needed and will be handed out as needed. NO bottles of glue.
12. **Ruler** - 12 inch clear ruler-both Metric and English.
13. **Scissors** - Ones your child can handle well and that actually cut. If your child is left-handed please be sure the scissors are for lefthanders!
14. **Pencil bags only** - NO pencil boxes, please.
15. **Bible** - The KJV is required as it is used with the Bob Jones curriculum and will be used for memory work. Please note that the Dollar Store carries this version.

16. **Poly transparent envelope** - Letter size and should either have a string, zipper or Velcro closure; will serve as the student's "mailbox folder" to take papers home. (Staples carries them in assorted colors.)
17. **Three-ring notebooks** - 1-inch metal ring binder, large enough for a package of filler paper and history/science workbooks.
18. **Loose-leaf paper** - Wide ruled only, NOT college-ruled.
19. **Pocket folder** - One folder is needed.
20. **Dividers** - Two dividers needed for binder.
21. **Basic calculator** - Small enough to keep in their pencil bags, but large enough to use properly.
22. **3" x 5" index cards** - One small package. Please write child's name on outside of the package so they can be stored until they are needed.
23. **Disinfectant wipes**- Two containers per student needed for the school year.
24. **Kleenex Anti-Viral tissue** - Please bring two large boxes per student for classroom use. A note for more boxes may go home later in the school year.
25. **Spiral note book** - One single subject spiral notebook needed for music class only.

I am looking forward to meeting each of you and having a great school year. I pray that we would be able to work as a team to make your student's year the best it can be.

Take time to relax and make memories this summer. I'll see you on September 6th!

In Him,
Mrs. RoJean Hayden
