

Important Vaccination Information for Parents of 12th Grade Students

Dear Parents,

The following contains 12th grade immunization requirements for: _____
(Student's Name)

New York State Public Health Law 2164 requires that all children entering and attending schools be adequately immunized. The following requirements must be met for all children entering the 12th grade for the 2016-2017 school year:

MenACWY

The health law requires that all children entering the 12th grade must have 2 doses of meningococcal conjugate vaccine (MenACWY; sometimes abbreviated as MCV4) for protection against meningococcal disease. If the first dose of this vaccine was received at 16 years of age or older, then a second dose will not be required.

} Please attach a copy of your child's immunization record with proof of receiving this immunization. }
Your health care provider may also fax a copy to #208-416-6628.
